

# dipline<sup>®</sup> *, it is as simple as that!*

CREATIVE LIGHT

**1** - Cut

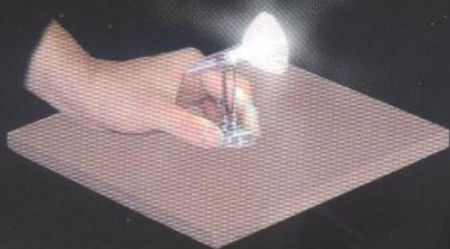

**2** - Connect

**3** - Plug in

**4** - Just pin... **it lights!**

*Pin also our LED  
and pinlights like our spotlights.*

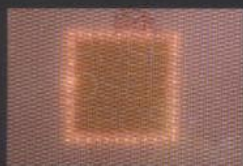

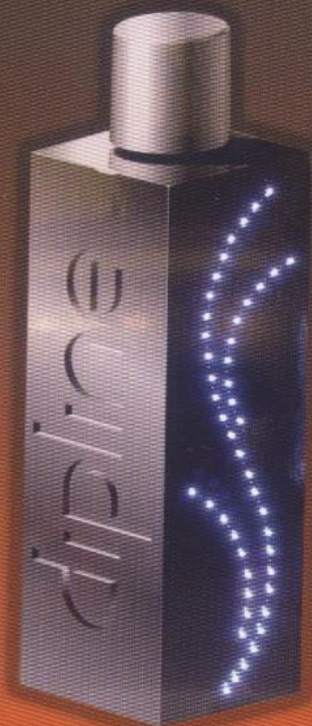

DIPLINE is an innovative lighting concept which allows you to realize easily the lighting decoration of walls, grounds and ceilings!

Simple to set up and to use, it is a real source of creation for architects and decorators.

*Professional Range*

met en lumière  
votre  
communication

The light attracts the eye.

A DIPLINE panel + your poster :  
bring to light your advertising.

From the standard offer to the "sur mesure"  
we bring you a suitable solution.  
DIPLINE stands out with a cutter,  
a jigsaw or a water jet.

With DIPLINE, attracting the attention  
was never so easy.
